19      <p>The original intention of Time Tea House is not just to sell tea beverages alone, neither is it a service as people understand it. As a tea space it should be a culture, a traditional Chinese culture, such as the store's guqin, calligraphy and painting, bonsai, and porcelain, so that customers have an immersive experience. The moment you send tea into your mouth, Time Tea House allows you to isolate yourself from the hustle and bustle of the world and enter a unique oriental realm. In the end, welcome you to gather here with your family and friends to feel at ease!
20
