  <h2>History of tea</h2>
  <p>China is the home of tea,
which is said to have started in the Shennong era, with a history of at
least 4700 years. The
tea sutra of Lu Yu, the tea sage of the Tang Dynasty, has had a profound
influence on tea culture
throughout history. Since then, the spirit of tea has permeated the court
and society, penetrating
into Chinese poetry, painting, calligraphy, religion and medicine. The
following video can be
used to enter a more in-depth understanding.</p>
